Greever's Guarantee

We guarantee the safe arrival of your order and the vitality and purity of the seeds, bulbs and plants to the full amount of the purchase price. Should any bulbs, seed or plants prove untrue to name we will gladly refund purchase price any time within 4 months.

Even with the highest quality seeds, bulbs and plants, success in gardening or farming depends largely upon the cultivation, soil and weather conditions.

Therefore in no case shall Greever's be liable for more than the amount actually paid us for seed, bulbs or plants.

If for any reason whatever you are not satisfied with any article purchased from us, we want you to return it to us at our expense. We will then exchange it for exactly what you want, or will return your money, including any transportation charges you have paid.

How To Send Money

Our terms are cash with order to everyone, money should be sent by check, Post Office money order, Express money order or Registered mail.

We try to fill all orders on the date specified, but in the case of plants, weather conditions sometimes make it impossible to ship on date specified but we will do the best we can.

We pay postage on orders amounting to \$2.00 or over for shipment at one time except on items marked freight or express collect in our catalogue.

On small orders add 8 cents to pay postage and cost of packing.

On account of market conditions our prices are subject to change without notice. Should the merchandise be higher we will notify you before shipping, if it declines we will refund the amount overpaid.
